

American Mining Insurance Group offers an array of insurance products to U.S. mining and mining-related industries.

The American Mining Insurance Group Difference

Founded in 1989, American Mining Insurance Group provides insurance coverage to mining operators, contractors, consultants, manufacturers, fabricators, processors and haulers. As the group has grown, we've remained committed to our core mission: to be the premier provider of insurance to the U.S. mining industry.

Known for excellence in loss control, claims management and underwriting, we seek to provide outstanding service, transparency, and rapid, reasonable and fair settlement of claims for our customers.

Our exclusive focus on the mining sector enables us to anticipate and meet our customers' needs, providing the highest level of service available. Our business philosophy stresses industry expertise, professionalism and integrity, and an ease of doing business.

Since becoming a W. R. Berkley Corporation member company in 2007, we have quadrupled our operating territory, made significant new investments in technology and added additional highly experienced staff to our team. Our commitment to the mining sector remains unwavering as we seek to build upon long-term relationships with our agencies and customers.

About W. R. Berkley Corporation

W. R. Berkley Corporation, founded in 1967, is one of the nation's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market, requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest-caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.
